Hall Extension Plans. The extension work was well under way and would result in more accommodation and be well worth all the inconvenience. The Multipurpose games area had been in use since the beginning of the year and was already proving an asset to the Village.

Car Park. This matter was being dealt with by the Parish Council and eventually the whole car park would be satisfactorily re instated.

Redecoration This was being dealt with and would need to be done on a regular basis in future.

Hall Floor Being dealt with as the whole main hall floor was being replaced.

Office. Now in use and Photocopier proving an asset.

Kitchen Hydroboil now fitted very efficient and a great asset.

Chairmans Report.
[redacted] said it had been a mixed sort of year with so much activity going on but once everything was completed we would have a Hall complex worth £350,000 and one to be proud of. He thanked the Committee for all their work and support and the Vice Chairman, Secretary and Treasurer for their co-operation. The Cleaning staff were also thanked. He said he was impressed with the building work and the extension to the Social Club. The business running of the Hall needed firm management as it was a growing concern and representatives of groups were asked to ensure that bills were paid promptly. The year ahead would need the continuance of a good committee and three subcommittees would be set up. Finance and Fund Raising, Outdoor Sub Committee and Building Sub Committee. It was hoped that the site could be tidied up soon and following acts of vandalism members were asked to watch for any misuse of hall property. [redacted] thanked all who had helped and attended the recent Village Festival which had been very successful and well worth the effort.

Treasurers Report.
Copies of the financial report had been circulated. [redacted] had given up as Treasurer and [redacted] had taken over. Total income for the year ended 30.6.92 amounted to £17,132.35 with expenditure of £15,473.86 leaving a balance of £2,119.56 which plus investments in hand of £6,762.61 gave a total of £8,882.17. Unfortunately there had been a loss of income whilst the Hall floor was being laid, but several new items of equipment had been purchased. It was agreed to pay the £30 as usual to the Auditor and thank him for his services. The Festival had raised £965 for Hall funds. [redacted] proposed and [redacted] seconded that the accounts be accepted and [redacted] thanked [redacted] and [redacted] for management of the Hall funds for the period 1991/92.
