Dear

Mulbarton Village Hall.

Thank you for your letter of January 4th; this was received by the Council at their meeting on January 7th.

At this meeting the Council agreed that in future the Village Hall should receive financial support from the rates. For the next financial year, that is to March 31st 1981 we have pre-cepted for an amount equivalent to the product of $1\frac{1}{2}$ p rate, this to include £500 for the Village Hall. This amount would be available to your Committee any time after March 31st this year.

Yours sincerely,

Clerk to the Council.

Dear Sirs,

Thank you for your letter of 8.1.80 informing us that the Parish Council had agreed to the Village Hall receiving financial support from the rates in future.

My committee received this news most gladly and would like to convey their gratitude to you. They hope to be able to continue to run the Village Hall satisfactorily and for everyone's enjoyment and convenience.

Yours si

Mulbarton Parish Council,

l Committee,

8. 4. 60.

At the Parish Council meeting on March 31st it was agreed, should your Committee so wish, that Village Hall Management Committee accounts which include V.A.T. could be passed through the Council's accounts and the amount paid recovered.

The District Auditor has confirmed that this procedure is quite legal.

The arrangement could increase the Council's audit fee, but the Council would accept this.

The procedure could start from the commencement of the current financial year (April 1st) and perhaps you would let me know your Committee's decision.

Yours sincerely,

Clerk to the Council.
